

STABILISER BARS

FOR TRACK OR OFF ROAD USE ONLY

Fitting Instructions For Replacement Bars;

This bar is designed to replace the original bar fitted to the car for Race Track or off road use only. It is illegal to change the size or specification of original vehicle manufacturers bars in this application for road use. There is no Whiteline Automotive warranty or guarantee available on this swaybar.

Disconnect and remove the original bar. Fit the Whiteline sway bar using the nyloc nuts and the Polyurethane D-bushes together with the original saddles on the car.

PLEASE DRIVE CAREFULLY AND ACCUSTOM YOURSELF TO THE FLATTER RIDE AND IMPROVED
HANDLING CHARACTERISTICS OF YOUR VEHICLE.
